

The  
*Old Clubhouse*  
founded 1890

## THE MENU

A very warm welcome to The Old Clubhouse.  
The home of golf at Gullane since 1890 and a family run business for over  
three decades, at the heart of Scotland's Golf Coast.

We are proud of our food, sourced from carefully chosen suppliers, conceived  
in house and cooked to order, which we feel offers something that little bit  
different.

In these strange times when we can't holiday abroad, we have tried to bring a  
little bit of holiday food to you with our seasonal specials.

Sit back, soak up the atmosphere and admire the views over the Links while  
your meal is being prepared.
